**To 2 Sept**

Vantage Point: The Art of Fan Dongwang

**Area** Coffs Harbour

**Type** Art Exhibition

**Date** Thursday 27th July to Saturday 2nd September 2006

**Venue** Coffs City Gallery

Fan Dongwang's extraordinary images explore the shifting nature of Australian culture from the perspective of an artist trained in Chinese painting and low relief carving. These richly coloured and evocative works do not provide a fixed point of entry but allow their own view of the shadowy territory of cultural exchange and reconstruction. Curated by Rod Pattenden.
